Exceptional Counseling Staff

Since 1998, we have been providing substance abuse counseling services in Arvada.

Our counseling staff represents over 150 years of cumulative experience, and includes a Doctor of Psychology (PsyD), six Masters degrees (MA/MS), four Bachelors degrees (BA/BS), two Domestic Violence Approved providers (DVAP); four Licensed Professional Counselors (LPC), and six Certified Addictions Counselors (CAC).

Our wider range of approaches also means we have options to place clients with counselors with whom the best relationships can be built... important to effective therapy.

Comprehensive Services Offering

Essentials

Level II Education and Therapy; Domestic Violence Therapy; Cognitive Behavioral Therapy (CBT); Dialectical Behavior Therapy (DBT); Relapse Prevention (Standard and Enhanced); Moral Reconciliation Therapy (MRT); Strategies for Self-Improvement and Change (SSC)

Substance-Specific

Case-management and Business-oriented Administration

Experienced and well-equipped staff of five ready, willing, and able to help manage treatments, cases, referrals, collaboration, voucher payments, and invoicing with professionalism. We are case load-aware! ☞

ReliaTrax since 2011; CWISE; All Medicaid BHO's: Foothills Behavioral Healthcare Partners, Access Behavioral Care (ABC), Behavioral Healthcare, Inc. (BHI); Signal Behavior Health Network.

Probation-friendly Approach

We know court-ordered treatment requires a great deal of effort and care to refer, manage, track, and report. Our approach to working with clients and referral/supervisor resources is teamwork. We know that when we help your clients through the best treatment, and you with managing your case. It's a win-win-win.

We Leverage Technology

TO HELP LIGHTEN CASELOADS, WE...

- ⇒ Track, record, report, document cases timely and fully. Monthly summaries.
- ⇒ Process vouchers quickly and accurately.
- ⇒ Report all client non-compliance issues via overnight email summaries.
- ⇒ Provide you 24x7 online client info.
- ⇒ Deliver all reports in a standardized format.
